24 Civ. 3998 (AT)

**ORDER**

By order dated August 13, 2024, the Court directed the parties to submit a joint letter and proposed case management plan by September 13. ECF No. 13. The parties subsequently told the Court that Plaintiff expected to file a motion to transfer this action, ECF No. 14, so the Court set a briefing schedule and adjourned all case deadlines, ECF No. 15. Plaintiff filed her motion to transfer but withdrew it a few weeks later, so the Court reset deadlines for the parties to submit their joint letter and proposed case management plan and for Defendant to respond to Plaintiff's complaint. ECF Nos. 16, 18, 20.

By letter dated October 18, 2024, the parties informed the Court that, of the six related actions against Defendant currently pending in U.S. district courts, three are in the Southern District of New York, and motions to transfer to this District have been filed in the remainder. ECF No. 21 at 1. Explaining that they may seek to consolidate the actions that ultimately end up in this District, the parties request that the Court vacate several upcoming deadlines.

Accordingly, the deadlines for the parties to submit their joint letter and proposed case management plan and for Defendant to respond to Plaintiff's complaint are ADJOURNED *sine die*. Within ten days of the issuance of (1) the last transfer order in the other jurisdictions or (2) December 9, 2024, whichever is sooner, the parties shall submit a joint status report concerning their anticipated motion to consolidate and the status of the pending motions to transfer.

SO ORDERED.
